

LINCOLN VULCANS SWIMMING CLUB

Late Collection of Children Policy

On occasion, parents may be delayed and unable to collect their child from training or after an event. The list of emergency numbers for the parents is to be used in such situations.

Parents should be asked to inform the appropriate club officer if they are delayed with a clear guidance on what the club will be required to do i.e. the parent must give consent if they wish another parent to transport their child home.

The club officers must never leave a child or young person alone unless they are over 16 and then only with parent's permission. It is recognised some young people aged 16 and over will take themselves home so the club officer must assess situations as they arise in an appropriate manner. Until a child is not collected, to maintain the wellbeing of all concerned, two appropriate club officers or parent of other club members must remain with the swimmer.

Parents, who persistently fail to collect a child on time or have not arrived after a reasonable period of time and have given no prior notice or informed the club they are delayed, may be failing in their care of their child. The club should use the emergency numbers they have for the child to try to arrange for a nominated person to collect the swimmer. If no one nominated is available to collect the swimmer, and the parent has still not contacted the club officers after a reasonable period the club should consult the police or Local Authority Safeguarding Team duty officer for advice on action to take.

If a parent arrives to collect a child and the club officers are concerned at their ability to take appropriate care of the child (i.e. they are considered to be under the influence of alcohol or drugs to the level where they are unfit to drive, and/or take care of their child) the club should gain advice from the police or Local Authority Safeguarding Team duty officer.

The club should:

1. Attempt to contact the parent/carer – from the information sheet completed on joining/renewing membership.
2. Attempt to contact the emergency contact person nominated.
3. If there is no reply from the emergency contact, ask the child if there is another family member who may be contacted.
4. Wait with the young person(s) at the club with at least one other official/coach/teacher/volunteers or parent of other club members.
5. If there is no reply or response after 20 minutes contact the local police to enquire about the best course of action.

6. If following either points 1, 2 or 3 the child has to be transported to a place of safety by an adult club officer or coach in an emergency situation it is recommended that two DBS checked adults from the club transport the child. In all cases the child should be seated in the back seat.

6. Remind parents/carers of the policy relating to late collection.

The club Coaches/Teachers and Officers should avoid:

- Taking the child home or to another location.
- Asking the child to wait in a vehicle or the club with them alone.
- Waiting with the child at the venue on your own
- Sending the child home with another person without permission.

Persistent failure to collect a child/young person on time:

If a parent/carer fails to collect their child or young person on several occasions with no contact or reasonable reason for the delay, the club Welfare Officer and another club officer should arrange to meet with them and discuss the matter. It maybe the parent/carer can be assisted in arriving promptly, for example making arrangements with another parent/guardian.

If there is no change, the club Welfare Officer should either contact the Swim England's child safeguarding team or Children's social care.
